Dear Friends of the Edgewater Library,

Congratulations on another terrific year of creating programs and funding activities that support the Edgewater Branch!

I appreciate all your efforts as this is my library too. It's an essential part of our vibrant neighborhood and your involvement is helping to ensure it continues to be relevant and central to our community.

While I'm unable to attend tonight's event, I'm positive it will be an engaging and memorable experience for everyone. However, I look forward to attending other programs beginning next year.

Please accept my thanks for your community outreach, best wishes for your future endeavors and I will continue my support for Friends of the Edgewater Branch library.

Sincerely,

Harry Osterman
